Section 1.02. Membership. Membership in the association shall be mandatory for each owner of a lot. Each lot owner is hereinafter referred to as an "Owner".

Section 1.03. Definition of "Member". "Member" shall be defined as every person or entity who or which is a record Owner of a fee or undivided fee interest in any lot, but not including any Owners who have sold their interest under executory contract. During such time as such contract is in force, the contract vendee shall be considered to be the member of the Association.

## ARTICLE 2

### Property Rights

Section 2.01. Easement in Common Area. There may be conveyed to the association certain reserves to be held as "Common Area", said term to describe such property held by the association, as the context requires. Declarant hereby dedicates and conveys to each Member a right and easement of enjoyment in and to the Common Area described hereafter and hereby covenants for itself, its successors and assigns, that it will convey a fee simple title to the Common Area to the association free and clear of all encumbrances and liens, except any current ad valorem or special assessment taxes. The association shall be responsible for the payment of taxes and insurance on the Common Area and for the proper maintenance of the open spaces and for compliance with this Agreement. The title to the Common Area shall be subject to the rights and easement of enjoyment in and to such Common Area by its Members. Said easement shall not be personal but shall be considered to be appurtenant to said Lots, whether specifically set forth in deeds to the Lots or not.

Section 2.02. Regulations. The association shall have the authority to make and enforce regulations pertaining to the use and maintenance of the Common Area, which regulations shall be binding upon the Members and all residents of the property subject to this Declaration.

Section 2.03. Description of Master Association. The Common Area to be conveyed to the Master Association and the use thereof is as follows:

Reserves D, F, G, H, I, J, K, L, M, N, O, P, Reflection Ridge, an Addition to Wichita, Sedgwick County, Kansas; Reserves A, B, C, D, E, Reflection Ridge Third Addition to Wichita, Sedgwick County, Kansas; Reserves C, D, E, F, G, H, I, Reflection Ridge Sixth Addition to Wichita, Sedgwick County, Kansas; Reserves A, B, C, D, E, F, G, H, Reflection Ridge Seventh Addition to Wichita, Sedgwick County, Kansas; and Reserve A, Reflection Ridge Ninth Addition to Wichita, Sedgwick County, Kansas. Uses shall include landscaping, walks, mailbox structures, walls, drainage, buffer zones, open spaces, entry monuments, irrigation construction and maintenance of public utilities.

The Common Area may also be used for other uses for the benefit of the Members which may be determined by the Master Association. All Members in good standing, their families, and guests accompanying said Members shall have equal access to the Common Area and all facilities located thereon, subject to rules and regulations established by the Master Association, including the right to place limitations on the number of guests and the right to limit or exclude Members, their families, and their guests if the Members owning the Lot in which they reside are in default in the payment of assessments or in the performance of any other obligation required by this Declaration.

Section 2.04. Reservation of Rights in the Common Area. Notwithstanding any other provision of this Declaration, Declarant reserves the right to grant easements within the Common Area for the installation, repair, and maintenance of water mains, sewers, drainage courses, public walkways, and other public utilities, provided that such utilities shall be installed in such manner as to minimize damage to the natural features of the Common Area. The association shall have the right to mortgage any part, parts, or all of the Common Area in connection with the borrowing of money in the furtherance of any of their purposes authorized herein and shall have the right to take such steps as are necessary to comply with such mortgage and to prevent foreclosure and any similar proceedings thereunder. The association shall have the right to suspend the rights of any member in connection with the Common Area for any period during which any assessment remains unpaid and for any period not to exceed thirty (30) days for any infraction of its published rules and regulations.

### ARTICLE 3

#### Assessments

Section 3.01. Assessments. All of the Lots shall be subject to two annual assessment charges to be paid by the respective Owners thereof to the association, annually, in advance on the 1st day of January, in each year. The respective Board may permit the annual assessment charge to be paid either annually or semiannually. Notwithstanding

the foregoing, Declarant shall not be obligated to pay any assessment for any Lot owned by Declarant until such time as a home has been erected thereon and is ready for occupancy.

Section 3.02. Determination of Assessments. Each year the Board shall, prior to November 1, determine the total amount to be raised by their respective annual assessment charges for the next succeeding year. This sum so determined shall be divided by the total number of Lots, and each Lot shall be assessed an equal amount. Should the Board at any time determine, in its sole discretion, that the assessments levied are or may prove to be insufficient to pay the costs of operation and management of their respective association and care of the Common Area, or in the event of emergencies, the Boards shall have the authority to levy such additional assessments as they shall deem necessary.

Section 3.03. Master Association-Duties/Use of Funds. The assessment fund shall be used for such of the following purposes as the Master Association shall determine necessary and advisable: for improving and maintaining the Common Area and other property of said association; for planting trees and shrubbery and the care thereof; for expenses incidental to the proper operation and maintenance of any recreational facilities located within the Common Area; for collecting and disposing of garbage and rubbish; for employing night watchmen; for caring for vacant property; for removing grass or weeds; for street cleaning; for street signs, street lights, and snow removal; for constructing, purchasing, maintaining, or operating any community service including publishing a directory of the membership of said association; for purchase of insurance; for doing any other thing necessary or advisable in the opinion of said association for the general welfare of the Members; for expenses incidental to the enforcement of these restrictions; for the payment of operating expenses of said association; or for any other purpose within the purposes for which said association is incorporated.

Declarant may install a perimeter privacy wall along portions of the Addition and may install landscaping and sprinkler systems on either side thereof as Declarant may in its sole discretion determine. In the event of the installation of such wall, landscaping or sprinkler systems, the future maintenance, repair and replacement thereof and all monuments and logos, shall be the responsibility of said association, which shall further be responsible for the maintenance and care of those portions of the public right-of-way abutting the Addition lying between the traveled portions of the right-of-way and said wall or any platted lot lines. The same shall be maintained free from weeds and rubbish and otherwise comparable to other landscaped portions of Common Area in the Addition.

The Board shall be obligated to expend such portion of the assessment fund as shall be necessary in order to maintain the

Common Area in a first class condition and shall not have the authority to reduce standards of maintenance below such level without the vote of two-thirds (2/3) of all Members of the Master Association.

Section 3.04. Interest on Delinquent Assessments. All assessment charges which shall remain due and unpaid thirty (30) days after they are due shall thereafter be subject to interest at the rate of fifteen percent (15%) per annum or at such other rate as established by the Board.

Section 3.05. Lien for Delinquent Assessments. It is expressly understood and agreed that the annual assessment charges shall be a lien and encumbrance on the Lot with respect to which said charge is made, and it is expressly agreed that by the acceptance of title to any of said Lots, the Owner (not including thereby the mortgagee as long as it is not the Owner) from the time of acquiring title thereto shall be held to have covenanted and agreed to pay to the associations all charges provided for herein which were then due and unpaid to the time of acquiring the title thereto and all such charges thereafter falling due during his ownership thereof. A certificate in writing issued by either association or its agent shall be given on demand to any Owner or prospective purchaser liable, or who may be liable, for said charges, which shall set forth the status of said charges. This certificate shall be binding upon said parties.

Section 3.06. Subordination of Assessment Lien. The lien provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. The sale or transfer of any Lot, which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, however, shall extinguish the lien of such assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 3.07. Right of Association to Enforce Payment of Assessment - No Offset. By the acceptance of title, each Owner shall be held to vest in the association the right and power in their own name to take and prosecute all suits, legal,

equitable, or otherwise, which may in the opinion of the associations be necessary or advisable for the collection of such charge or charges, and the association shall have the right to sue for and collect a reasonable sum to reimburse them for their attorneys' fees and any other expenses reasonably incurred in enforcing their rights hereunder. All assessments shall be payable in the amount specified and no offsets against such amount shall be permitted for any reason, including, without limitation, a claim that the association or declarant is not properly exercising its duties and powers as provided in this Declaration.

Section 3.08. Maximum Annual Assessment.

a. The maximum annual total assessment for the Master Association (except for such sums assessed pursuant to Sections 3.09, 3.10 and 3.11 hereof), for the calendar year ending December 31, 1988, shall be One Hundred Twenty Dollars (\$120.00) per Lot. The maximum annual assessment may be increased for any subsequent year to an amount which is no more than ten percent (10%) compounded above the maximum permitted annual assessment for the previous year without a vote of the membership of the Association.

b. The annual assessment for any year commencing after December 31, 1988, may be increased to an amount greater than that permitted by Subsection "a" of this Section only by an affirmative vote of two-thirds (2/3) of the vote of the Members in attendance, who are voting in person or by proxy, at a meeting duly called for such purpose.

c. The Board may fix the annual assessment at an amount not in excess of the maximum amounts set forth in this Section.

Section 3.09. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the Members in attendance, who are voting in person or by proxy, at a meeting duly called for such purpose.

Section 3.10. Reflection Ridge Golf Club Assessments. In order to help provide for a comprehensive neighborhood scheme and an integrally related community, Declarant has commenced development of a golf course adjacent to the addition. Said golf course will affirmatively contribute to the aesthetic and

monetary values of the Addition and the Lots therein, and in order to assist in providing proper maintenance and care of the green spaces thereon, Declarant has provided for the additional assessment provided for herein.

In order to assist in providing for the proper maintenance and care of the green spaces located on the adjacent golf course property, there shall be included in the assessment levied by the Association pursuant to the foregoing provisions of this Article 3 an additional amount determined as hereinafter provided, which amount shall be due and owing Reflection Ridge, Inc. owner of the adjacent golf course, its successors and assigns, to be utilized by it in maintaining the landscaping and green spaces of the golf course; provided, however, that the provisions of this Section shall not apply to Declarant. Each Owner and the Association shall be bound by the provisions hereof as follows:

a. All sums paid by the Association to Reflection Ridge, Inc. (or any successor or assign) shall be used by Reflection Ridge, Inc. (or any successor or assign) to help defray the cost of maintenance and care of the landscaping and green spaces of the golf course, such maintenance and care to be performed by it at such times and in such manner as the said Reflection Ridge, Inc. (or any successor or assign), in its sole discretion, deems reasonable and appropriate.

b. The annual assessment payable to Reflection Ridge, Inc. its successors or assigns, shall be in the initial amount as set out in Subparagraph "e" hereof. Beginning with calendar year 1989, each annual assessment shall be increased pursuant to the "All Items Figure" of the 1978 revised Consumer Price Index-Urban Wage Earners and Clerical Workers-U. S. City Averages 1967 = 100) (the "BLS Index"), used by the Bureau of Labor Statistics of the United States Department of Labor, with the initial assessment being predicated on such figure as issued for the month of September, 1989. For each succeeding calendar year said assessment shall be in an amount equal to such assessment for the initial year multiplied by a fraction, the numerator of which shall be the BLS index figure for September of the preceding year, and the denominator of which shall be such figure for September, 1989. In no event, however, shall such amount be less than the initial amount. In the event the BLS index shall hereafter be converted to a different standard reference base or otherwise revised, the determination of the percentage increase shall be made with the use of such conversion factor, formula, or table for converting the index as may be published by the Bureau of Labor Statistics or, if said Bureau shall not publish the same, by any other nationally recognized publisher of similar statistical information.

c. Nothing herein shall be construed as obligating Reflection Ridge, Inc. its successors or assigns, to continue the operation of the golf course; however, the obligation of the Association to pay said sums to Reflection Ridge, Inc. its successors or assigns, shall continue only so long as Reflection Ridge, Inc. its successors or assigns, shall maintain and operate said golf course. At such time as said property shall cease to be operated as a golf course, and such cessation shall continue for a period of more than six (6) months, then and in that event, the obligation of the Association to pay said sum shall terminate as of the date such golf course first ceased to be so operated.

d. Said assessment shall be levied and collected by the Association as a part of the assessment against each Lot as herein provided, or, alternatively, the Association may determine that the owners shall make said payment directly to Reflection Ridge, Inc., but the collection and payment thereof shall also be the binding obligation of the Association to Reflection Ridge, Inc. its successors and assigns, and any failure of any Owner to make payment of such Owner's assessment to the Association shall not diminish the Association's obligation to Reflection Ridge, Inc., its successors and assigns, for the full amount of such payment. This provision is for the benefit of Reflection Ridge, Inc. and its successors and assigns and may be enforced by it pursuant to law.

e. The initial annual assessment for calendar year 1989 shall be in the following amount with the obligation as to each Lot or dwelling unit to commence with the first full month after the month in which the golf course or any portion thereof is first opened for play, said assessment to be prorated on a monthly basis for a partial year.

Single family detached  
dwelling unit . . . . . \$72 per unit

f. A similar obligation to Reflection Ridge, Inc. its successors and assigns, shall be imposed upon all other residential additions of which Declarant is either owner or part owner and platted within any of the parcels located within the Reflection Ridge Community Unit Plan. The minimum initial annual assessment for calendar year 1989 as to any such additional Lots or dwelling units other than single family, detached, is as follows, the same to be prorated as aforesaid.

Duplex, fourplex,  
townhouse and condominium . . . . \$48 per unit

Apartment units, being  
defined as 15 or more  
dwelling units per acre . . . . . \$24 per unit

Section 3.11. Additional Assessments. In addition to the sums assessed pursuant to other Sections hereof, there shall be assessed against each Lot a fee in the amount of \$75 per year for seeding the Lot and thereafter mowing it periodically, which assessment shall commence as to each Lot the later of (a) the date of the sale thereof by Declarant or (b) the date the Declarant or the Association seeds such Lot, to the date of commencement of construction of a residence thereon. The amount of the seeding and mowing assessment may be increased by the Association from time to time due to actual or projected increases in the costs of providing the seeding and mowing services.

#### ARTICLE 4

##### Covenants for Maintenance

Each Owner (other than Declarant) shall keep all Lots owned by such Owner and all improvements therein or thereon in good order and repair, including, but not limited to, the seeding, watering, and mowing of all lawns, the pruning and cutting of all trees and shrubbery, and the painting (or other appropriate exterior care) of all buildings and other improvements, all in a manner and with such frequency as is consistent with good property management. If in the opinion of the Design Committee, any Owner fails to perform the duties imposed by the preceding sentence, the Association, after approval by the Board and after fifteen (15) days' written notice to such Owner to remedy such default, shall have the right, through its agents and employees, to enter upon the Lot or Lots involved and to repair, maintain, repaint, remove, and restore such Lot or Lots or such improvements, and the cost thereof (the "Maintenance Charge") shall be a binding personal obligation of such Owner and the cost may mature into a lien enforceable in the same manner as a mortgage upon the Lot(s) in question in the following manner: the Association may record an Affidavit of Nonpayment of Maintenance Charge in the Office of the Register of Deeds of Sedgwick County, Kansas, stating (a) the legal description of the property upon which the lien is claimed, (b) the name(s) of the Owner(s) of said property, and (c) the amount of the Maintenance Charge which is unpaid. The lien shall be created at the time of the filing and recording of the Affidavit and such lien shall be superior to all other charges, liens, or encumbrances which may thereafter in any manner arise or be imposed upon the property, whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage, or other instrument, saving and excepting only such liens for taxes and other public charges as are by applicable law made superior.

## ARTICLE 5

Architectural Control

Section 5.01. Approval Required. No building, fence, wall, structure, projection from a structure, or improvement shall be commenced, erected, or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein or thereto be made, until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to (a) harmony of external design and location in relation to and effect upon surrounding structures, topography and the overall community design of the Addition; (b) the character of the exterior materials; and (c) the quality of the exterior workmanship, by the Design Committee (the "DC"), its agents, assignees, or successors. In the event the DC fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to and received by it, approval will not be required, and this Article will be deemed to have been fully complied with. The applicant may appeal an adverse Design Committee decision to the Board of the Association, which may reverse or modify such decision by a two-thirds vote of those directors present and voting at a meeting at which a quorum is present.

The Design Committee may, subject to the approval of the Board of the Association, develop and promulgate policy guidelines for the application of the design review provisions in this Declaration. The policy guidelines shall include (a) review procedures, (b) aspects and objectives of review, and (c) principles and criteria used as standards in determining the achievement of the required objectives. The policy guidelines may also include specific design practices that, though optional, are generally acceptable methods for achieving the required objectives in particular design problems frequently encountered. The policy guidelines are intended to assist the Design Committee and the Owners in the ongoing process of community design. They may be modified and supplemented from time to time, on due notice to the Owners and subject to the approval of said Board.

The provisions of Section 5.01 shall be applicable to the Declarant only with respect to Lots which are improved with buildings which are or have been occupied.

Section 5.02. Form of Plans and Specifications. Such plans and specifications shall be in such form and shall contain such information as may be required by the DC, but in any event shall include (a) a site plan of the Lot or Lots showing the nature, exterior color scheme, kind, shape, height, materials, and location with respect to the particular Lot or Lots (including proposed front, rear, and side set-backs) of all structures, the location thereof with reference to

structures on adjoining portions of the property, and the number and location of all parking spaces and driveways on the Lot or Lots; and (b) a grading plan for the particular Lot or Lots.

Section 5.03. Retention of Approved Plans and Specifications. Upon approval by the DC of any plans and specifications submitted hereunder, a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Association, and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same.

Section 5.04. Removal and Alteration of Structures; Lien.

a. If any structure shall be altered, erected, placed, or maintained upon any Lot, or any new use commenced on any Lot, otherwise than in accordance with plans and specifications approved by the DC pursuant to the provisions of this Article, such alteration, erection, maintenance, or use shall be deemed to have been undertaken in violation of this Article and without the approval required herein, and, upon written notice from the DC, any such structure so altered, erected, placed, or maintained upon any Lot in violation hereof shall be removed or realtered, and any such use shall be terminated, so as to extinguish such violation.

b. If fifteen (15) days after the notice of such a violation the Owner of the Lot upon which such violation exists shall not have taken reasonable steps toward the removal or termination of the same, the Association or the DC shall have the right, through their agents and employees, to enter upon such Lot and to take such steps as may be necessary to extinguish such violation, and the cost thereof shall be a binding, personal obligation of such Owner and the cost may mature into a lien (enforceable in the the same manner as a mortgage) upon the Lot(s) in question in the following manner: The Association or the DC may record an Affidavit of Nonpayment of Removal or Alteration Charges in the Office of the Register of Deeds of Sedgwick County, Kansas, stating (i) the legal description of the property upon which the lien is claimed, (ii) the name(s) of the Owner(s) of said property, and (iii) the amount of the Removal and Alteration Charges which are unpaid. The lien shall be created at the time of the filing and recording of the Affidavit and such lien shall be superior to all other charges, liens, or encumbrances which may thereafter in any manner arise or be imposed upon the property whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage, or other instrument, saving and excepting only such liens for taxes or other public charges as are by applicable law made superior.

c. In the event a lien is obtained pursuant to this Section and thereafter the Removal or Alteration Charges, plus interest at the rate of fifteen percent (15%) per annum, or such other rate as is established by the Board, shall be fully paid, the Association or the DC shall, within ten (10) days following payment, file with the Register of Deeds of Sedgwick County, Kansas, an Affidavit of Payment of Removal or Alteration Charges, which Affidavit shall (i) refer to and identify the Affidavit of Nonpayment of Removal or Alteration Charges which created the lien which has been satisfied, (ii) state the legal description of the property affected, and (iii) state the name(s) of the Owner(s) of the property. The recording of the Affidavit of Payment of Removal or Alteration Charges shall fully and completely release the lien referred to in said Affidavit, and said Affidavit shall be conclusive evidence to any purchaser or encumbrancer or as to any title insurer or title examiner that the preexisting lien has been fully and completely released and discharged.

d. In the event of any transfer, sale, or assignment of any Lot or Lots to a bona fide purchaser, and in the event that no Affidavit of Nonpayment of Removal or Alteration Charges has been recorded as provided in this Section prior to such transfer, sale or assignment, any such Affidavit filed subsequent to the above-referenced transfer, sale or assignment shall be invalid and unenforceable.

Section 5.05. Certificate of Compliance. Upon completion of the construction or alteration of any structure in accordance with plans and specifications approved by the DC, it shall, upon written request of the Owner thereof, issue a Certificate of Compliance in form suitable for recordation, identifying such structure and the Lot on which such structure is placed, and stating that the plans and specifications, the location of such structure, and the use or uses to be conducted thereon have been approved and that such structure complies therewith. Preparation and recording of such Certificate shall be at the expense of such Owner. Any Certificate of Compliance issued in accordance with the provisions of this Section shall be prima facie evidence of the facts therein stated, and, as to any purchaser or encumbrancer in good faith and for value, or as to any title insurer or title examiner, such Certificate shall be conclusive evidence that all structures on the Lot, and the use or uses described therein comply with all the requirements of this Declaration as to which the DC exercises any discretionary or interpretive powers.

Section 5.06. Right of Inspection. The Association or any of its agents may, at any reasonable time or times, enter upon and inspect any Lot or any improvements thereon for the purpose of ascertaining whether the maintenance of such Lot and

the maintenance, construction, or alteration of structures thereon are in compliance with the provisions hereof; and neither the DC, the Association, nor any such agent, shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

Section 5.07. No Liability. Neither the DC, Declarant, the Association, nor any officer, director, member, agent, or employee thereof, shall be liable to any Owner or to any person, firm, corporation, or other entity for any damages arising from any performance or nonperformance of any duties or functions under this Article.

Section 5.08. Membership. The original members of the DC shall be three persons to be appointed by Declarant. Upon the death or resignation of any member of the DC, Declarant shall appoint a successor, unless at such time, Declarant has relinquished its rights hereunder as hereinafter provided. In such event, the Board of the Association shall have full authority to designate a successor. The act of a majority of the committee shall be binding and the majority of the committee may designate a representative to act for it. Declarant shall retain its rights hereunder until the same are relinquished to the Association. Declarant may relinquish its rights or any portion thereof under this paragraph to the Association by advising the Association in writing of its intent to do so and in such event, the Association shall have the authority of Declarant under this paragraph, and Declarant shall relinquish such rights at such time as Declarant shall cease to own any Lots in the Addition.

Section 5.09. Fee for Architectural Review. Each Owner may be required to pay a fee to the Association as a condition to approval of any change in the existing state of any property to cover costs and expenses in reviewing and commenting on proposals for changes thereto by the DC. The amount of the fee, if any, shall be established by the Association and shall be set forth in the standards of the DC in effect from time to time. Such fee shall not be in excess of \$250 with respect to any one proposed change in connection with the original construction of a residential structure and shall not exceed \$50 for modification of a residential structure or any other type of proposed change, provided said amounts may be increased by a percentage no greater than the percentage increase in the Consumer Price Index for All Urban Consumers established by the Bureau of Labor Statistics of the United States Department of Labor; effective January, 1978 (or, if issuance of such Consumer Price Index is discontinued, as measured by any comparable, recognized cost-of-living index). Any such increases shall be established by the Association to reflect the increase in the Consumer Price Index between January, 1988 and January of the year in which the increase is to be effective.

Section 6.04. Vehicles and Parking. No boat, boat trailer, house trailer, camper, camper trailer, recreational vehicle, truck, or similar item shall be stored or permanently, continually, or regularly parked in and on any street, the Common Area, or in the open on any Lot or driveway. No junk or derelict vehicle or other vehicle on which current registration plates are not displayed shall be kept on any Lot. Vehicle repairs other than ordinary light maintenance are not permitted on any Lot.

Section 6.05. Fences. No fence shall be constructed or maintained on any Lot except for privacy fences immediately adjacent to patios which are appurtenant to a home, except that this restriction shall not prohibit the construction and maintenance of fences constructed only of black wrought iron which do not exceed six (6) feet in height and which do not materially obstruct the passage of light and air.

Section 6.06. Exempt Property. All properties dedicated to and accepted by a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Kansas shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 6.07. Offstreet Parking Requirement. Each of the Lots shall provide four (4) off-street parking spaces per dwelling unit, including garages and driveway.

Section 6.08. Trees. No tree having a diameter of two (2) inches or more (measured from a point two (2) feet above ground level) shall be removed from any Lot without the express

written authorization of the Association. The Association, in its discretion, may adopt and promulgate rules and regulations regarding the preservation of trees and other natural resources and wildlife in the Addition. The Association may designate certain trees, regardless of size, as not removable without written authorization. In carrying out the provisions of this Section, the Association and its agents may come upon any Lot during reasonable hours for the purpose of inspecting or marking trees or in relation to the enforcement and administration of any rules and regulations adopted and promulgated pursuant to the provisions hereof. Neither the Association nor its agents shall be deemed to have committed a trespass or wrongful act by reason of any such entry or inspection.

Section 6.09. Animals. No birds, reptiles, animals, or insects shall be kept or maintained on any Lot except for domestic purposes. Under no circumstances shall any commercial or agricultural business enterprise involving the use or breeding of animals be conducted in the Addition without the express written consent of the Association. The Association may, from time to time, publish and impose reasonable regulations setting forth the type and number of animals that may be kept on any Lot. Dogs and other animals shall be kept on a leash when outside the residence site and on the Common Area. Dogs and other animals shall not be allowed to trespass on the adjacent golf course whether on leash or not. All dog runs must be in the rear yard on the back of the home. No dogs shall be continually or regularly chained or staked in any front or side yard. Dog runs shall be screened so as not to be visible from another Lot. Owners shall control emitted noises (e.g., barking, howling, etc.) at all times to provide quiet enjoyment for all Owners.

Section 6.10. Signs. Declarant may erect such signs as it deems appropriate without any approval, but otherwise, no sign or other advertising device of any nature shall be placed upon any Lot or Common Area, except real estate "For Sale" signs approved by the Architectural Control Committee as to aesthetics. refuse is to be disposed of by being picked up and carried away on a regular and recurring basis, containers may be placed in the open, on any day that a pick-up is to be made, at such place on the Lot so as to provide access to persons making such pick-up. At all other times, such containers shall be stored in such a manner so that they cannot be seen from adjacent and surrounding property. Furthermore, the Association may require all Owners to utilize one single trash service contractor in order to arrange service on specific days with a minimum number of trucks, thereby preserving the streets, and to establish conformity. The Association, in its discretion, may adopt and promulgate reasonable rules and regulations relating to the size, shape, color, and type of containers permitted and the manner of storage of the same.

Section 6.13. Pipes. No water pipe, gas pipe, sewer pipe, or drainage pipe shall be installed or maintained on any Lot above the surface of the ground, except hoses used for irrigation purposes. No Lot shall be used for the purpose of boring, mining, quarrying, exploring for or removing oil or other hydrocarbons, minerals, gravel or earth.

Section 6.14. Association May Trim or Prune. The Association shall have the right to enter upon any Lot and trim or prune, at the expense of the Owner, any hedge or other planting which, in the opinion of the Association, by reason of its location upon the Lot or the height to which it is permitted to grow, is unreasonably detrimental to the adjoining property or obscures the view of street traffic or is unattractive in appearance; provided, however, that the Owner shall be given fifteen (15) days' prior written notice of such action.

Section 6.15. Motor Vehicles; Garages. No motor vehicles of any type other than maintenance vehicles shall be operated on the Common Area or the sidewalks and bicycle paths, if any, located in the Common Area. The same sight line restrictions shall apply to any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at a sufficient height to avoid obstruction of such sight lines.

Section 6.17. Noxious, Dangerous, and Offensive Activities Prohibited. No noxious, dangerous, or offensive activity or thing shall be carried on or permitted, nor shall anything be done which may be or may become an annoyance or nuisance to the neighborhood.

Section 6.18. Maintenance of Drainage Channels and Swales. Each Owner shall maintain, mow, and keep in good repair and condition any drainage channels and swales located on any Lot owned by such Owner, in accordance with the master drainage plan.

Section 6.19. Home Professions and Industries. No profession or home industry shall be conducted in or on any part of a Lot or in any improvements thereon without the specific written approval of the Association. The Association, in its discretion, upon consideration of the circumstances in each case and particularly the effect on surrounding property, may permit a Lot or any improvement thereon to be used in whole or in part for the conduct of a profession or home industry. No such profession or home industry shall be permitted, however, unless it is considered, by the Association, to be compatible with a high quality residential neighborhood.

Section 6.20. Model Homes and Real Estate Offices. All else herein notwithstanding, any Lot owned by Declarant or persons so authorized by Declarant may be used for a model home or for a real estate office until all homes in the development are sold.

Section 6.21. Laundry and Machinery. No clothing or any other household fabric shall be hung in the open on any Lot, except with specific written approval of the Association. No machinery shall be placed or operated upon any Lot, except such machinery as is usual in the maintenance of a private residence.

Section 6.22. Land Use. None of the Lots may be improved, used, or occupied for other than the uses as designated by the recorded plat thereof, the Reflection Ridge Community Unit Plan, applicable zoning regulations, and this Declaration, the most restrictive thereof to control in the event of any conflict.

Section 6.23. Requirement to Plant Lawn and Trees, Shrubs, or Bushes. Within sixty (60) days after occupancy of a residence on a Lot, the Owner thereof shall submit to the DC a landscape plan for its approval, pursuant to the provisions of Article 5 hereof, which plan shall include planting a lawn and at least fifteen (15) perennial shrubs, bushes, or trees on such Lot and shall further include all areas between public sidewalk and the paved streets. Such landscaping shall be installed forthwith. In the event such landscaping is not so installed, Declarant may, after giving written notice to any

lot owner of such owner's failure to comply herewith, at any time after fifteen (15) days have expired from the date of such notice, perform said landscaping and collect from such owner the cost thereof. Declarant is hereby granted the right to enter upon any such lot for the purpose of performing said landscaping.

Section 6.24. Set-Back Requirements. No building, structure or other improvement may be constructed or maintained on any Lot which shall be nearer than twenty-five (25) feet to the front property line, nearer than six (6) feet to either side boundary line, or nearer than ten (10) feet to the rear boundary line of any Lot; provided, that the foregoing set-back requirements shall not be applicable to any improvement, building, or structure constructed below the surface level of the ground, or to swimming pools constructed in the ground, or to any tennis courts, paddle tennis courts, or similar sports surfaces constructed at ground level, but nothing contained in this provision shall be deemed to permit the installation or operation of any lighting equipment in such areas.

Section 6.25. Golf Course; No Trespass. Owners, their families and guests shall not trespass on the adjacent golf course property. Further, in order to prevent injury to children, owners shall take all necessary action to prevent children from playing on or straying onto the golf course.

Section 6.26. Garden Restrictions. Vegetable and other gardens shall be screened so as not to be visible from any other Lot, the Common Areas or the Reflection Ridge Golf Club. No garden(s) on any Lot may exceed 200 square feet in area without the prior approval of the DC.

Section 6.27. Occupancy of Residential Structures. No residential structures on any Lot shall be used or occupied by more than a single family, its servants and occasional guests.

Section 6.28. Basketball Backboards. All basketball goals shall be either white or glass. No "homemade" basketball backboards or supports shall be permitted. All basketball goals and supports shall be first approved by the DC.

Section 6.29. Boating. Section 6.30. Swimming, Fishing, Ice Skating. There shall be no swimming or wading in any of the lakes or waterways within the Reflection Ridge Development. Fishing in the lakes or waterways will be permitted, subject to the Rules and Regulations of the associations and the Reflection Ridge Golf Club, as appropriate.

Section 6.31. Entrance Treatments; Walls. Declarant hereby reserves the right and easement, in its sole discretion and at its own expense, to construct or install (whether before or after transfer of title to Owners) entrance treatments, fences and/or walls, of Declarant's own choice, type and design, on the perimeter of side yards and/or backyards (beyond the building set-back lines) on Lots selected by Declarant. The Association is hereby granted a perpetual, non-exclusive easement to enter upon any Lot on which there is situated an entrance treatment, fence or wall installed or erected by Declarant and to maintain, improve, repair and/or replace the same.

Section 6.32. Outdoor Recreational Improvements. No permanent outdoor recreational improvements, facilities or equipment shall be permitted, except with the specific written consent of the DC.

Section 6.33. Christmas Lights. No Christmas lights shall be lit before Thanksgiving and shall be taken down not later than March 15 of the following year.

Section 6.34. Mail Boxes. All mail boxes to be of uniform style. The location as well as style and material must be approved by design committee.

Section 6.35. Restrictions not Exclusive. The restrictions contained in this Declaration shall not be taken as permitting any action or thing prohibited by the Reflection Ridge Community Unit Plan, applicable zoning laws, or the laws, rules, or regulations of any governmental authority, or by specific restrictions imposed by any deed or lease. In the event of any conflict, the most restrictive provision of such laws, rules, regulations, deeds, leases, or this Declaration shall be taken to govern and control.

## ARTICLE 7

### Enforcement

The associations, Declarant, or any Owner shall have the right to enforce, by and proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration. Failure by the associations, Declarant, or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The associations shall have the right to include in their claim for relief a reasonable sum to reimburse it for its attorneys' fees and any other expenses reasonably incurred in enforcing the associations' rights hereunder.

## ARTICLE 8

Additional Land

Declarant may, from time to time, annex additional real property, including additional Common Areas, to the property covered by this Declaration, and thereby subject the same to all of the terms, provisions, and conditions of this Declaration, by the execution and filing for recordation with the Register of Deeds of Sedgwick County, Kansas, of an instrument expressly stating an intention so to annex and describing such additional real property to be so annexed. During that ten (10) year period commencing with the date of the recording of this Declaration, Declarant, its successors or assigns, may annex such additional real property in its absolute discretion. From and after the termination of said ten (10) year period, such additional real property may be annexed to the Properties provided that each such annexation is approved in writing by two-thirds (2/3) of the votes of the Members of the Association entitled to vote.

## ARTICLE 9

Power of Assignment and Delegation

Declarant shall have the right and power to assign and delegate to the respective associations, or any successor or successors thereto, at any time and from time to time, all or any part of any of the rights, powers, and authority contained in this Declaration.

## ARTICLE 10

Severability

Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

## ARTICLE 11

The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years.

Amendments to this Declaration made prior to the date on which Declarant delivers management of the property to the Association shall become effective when approved in writing by Declarant and recorded in the office of the Register of Deeds of Sedgwick County, Kansas; provided, however, that such amendment shall not materially affect any rights of any then existing mortgage holders or lot owners.
